Evening Program.

7:00—Moving pictures of the national convention at the tent.

Senator Smith, Governor Dockery, Judge John M. Dawson and James W. McKnight will speak.

Arrangements are completed for the visit of Vice President Thomas R. Marshall and Senator Hoke Smith and many other prominent men who will be in Maryville tomorrow for the Democratic rally. If the weather is good, indications are that the biggest crowd ever attending a political meeting in this city will be here tomorrow. The rally has been well advertised, and the Democrats who made a tour over the county yesterday say that nearly all of the Democrats are planning to come here for the day.

Will Go to St. Joseph.

A committee composed of Judge W. C. Ellison, Mayor A. S. Robey and George B. Baker will meet Vice President Marshall and the other speakers at St. Joseph in the morning and will accompany them to Maryville, arriving on the noon Burlington train at 11:51. An auto parade will be held, headed by Vice President Marshall, and after driving through Main street the party will go to the State Normal school, where Mr. Marshall will give a short address to the students in front of the school building.

Vice President and Mrs. Marshall will then be taken to the Bainum hotel, and will dine in a private suite. Senator Smith, Governor Dockery and the other distinguished visitors will stay at the Linville hotel.

Afternoon Meeting at 1:30.

The afternoon meeting will begin promptly at 1:30 o'clock in the tent at the high school grounds. Comfortable seats have been provided, and in case of cool weather stoves will be ready for service.

Vice President Marshall will leave on the afternoon Burlington train, as he is billed to speak the next day in Nevada, Mo.

The evening meeting will begin promptly at 7 o'clock with moving pictures of the national convention held in St. Louis last June. Senator Hoke Smith and the other speakers who will talk in the evening will leave Maryville that night. They are to speak in Lexington the next day.

Many bands will furnish the music during the day. In addition to the Maryville band, delegations are arranging to bring the Skidmore, Sheridan, Hopkins and Clearmont bands.

The auto parade will be formed so there will be two rows of cars on each side of Depot street south of Third street at the Burlington station. These cars will be headed south, and when the first two cars, containing Vice President and Mrs. Marshall, Senator Hoke Smith and the other speakers, will turn south on Depot street to First street, they will arrive between the two rows. In this way, the people in these cars will see the distinguished visitors at close range.

The women who wish to meet the party at the train and to appear in the parade are requested to meet at the court house at 10:30 o'clock. Cars will be provided for all those who come.

Col. Fred D. Gardner, Democratic candidate for governor, intended to come to Maryville to this meeting, but as the state committee had him billed for Rich Hill several weeks ago, the change could not be made. Colonel Gardner will speak here, however, before the election.

BAIL FOR M'DANIEL

THE BOND WAS FOR $50,000 AND SIGNED BY MANY WEALTHY MEN

CASE IS SET FOR OCT. 18

St. Joseph Prosecutor Will Be Tried on Charge of Murder of His Wife.

Special to The Democrat-Forum.

St. Joseph, Oct. 11.—Judge Thomas F. Ryan of the criminal court admitted Oscar McDaniel to give bail this morning, the amount being $50,000. The bond was signed by a number of the wealthiest citizens in St. Joseph, and they could probably have given a $1,000,000 bond. The signers to the bond were: James H. McCord, president of the Burnes National bank; Dr. C. R. Woodson, W. P. Fulkerson, president of the Buchanan County bank; Walter W. Head, cashier of the German-American bank; J. H. McClanahan, William Boyer, W. H. Faucett, W. True Davis, Elliott Spaulding, E. P. McDaniel, D. Lem McDaniel, S. S. Shull, Orrestes Mitchell, Zeb Baker, C. A. Cook and R. N. Abercrombie.

Lockwood protested and gave out some state's evidence heretofore unknown. He states a witness will swear he recognized Mrs. McDaniel's voice the night of the murder and McDaniel left the house shortly afterwards.

McDaniel was released from the county jail this morning, where he has been confined for several weeks.

The murder trial of Oscar McDaniel, prosecuting attorney of Buchanan county, was set for Oct. 18.

"About the only thing for me to do now is, as the Good Book says: 'Love thine enemies. Do good to them that hate you. Pray for those that despitefully use you.'"

Mr. McDaniel, prosecuting attorney, who was indicted yesterday on a charge of wife murder, made this statement yesterday afternoon at the close of an effort by his attorneys, Charles F. Strop and Lewis C. Gabbert to obtain bail for him.

Bart M. Lockwood, special prosecutor, who had presented the McDaniel case to the grand jury, strongly opposed the proposal to give bond. He said that in his opinion the crime with which McDaniel is charged is not bailable. He said that the fact that the accused man would not leave in case bond were given was not a reason for giving bond. Attorneys for the defendant held that the only reason for giving bond is to assure the presence of the defendant when the trial is called.

The attorneys for the defendant presented a transcript of the evidence taken at the coroner's inquest for the basis for asking bond. They said that even though this evidence will show that the murder of Mrs. McDaniel was a capital crime, there was not sufficient evidence in it to prevent the defendant from being released on bond.

IN AUTO ACCIDENT

4 MARYVILLE MEN INJURED WHEN FORD TURNS OVER.

STEERING WHEEL, CAUSE

J. F. Roelofson, Harold Selecman, A. L. Nash and William Steele Suffering Ill Effects.

A. L. Nash broke three ribs, bruised his shoulder and sprained his back and wrist. J. F. Roelofson suffered a severe cut in the head and a number of painful body bruises, William Steele dislocated his shoulder and Harold Selecman received a bruise on the head and a nervous shock in an automobile accident which took place two miles southeast of Clearmont about 4 o'clock yesterday afternoon.

Mr. Roelofson, driving his Ford car, was returning to Maryville with six other cars filled with Democrats who had made a tour of the county in the interests of the Democratic rally to be held here tomorrow. Mr. Nash, Mr. Steele and Mr. Selecman were in the car with him.

Just as he started down an incline in the road near the George Porterfield farm, the steering wheel came off, causing Mr. Roelofson to lose control of the car. The car veered to one side, climbed an embankment, and turned over, end to end, pinning Mr. Nash and Mr. Roelofson beneath it. Mr. Selecman and Mr. Steele were thrown clear of the car, each on opposite sides of the road.

Cars driven by C. S. Casey and Dan Baker were coming about fifty yards behind Mr. Roelofson's car and the men in them came immediately to the rescue of Mr. Roelofson and Mr. Nash. Mr. Roelofson was lying lengthwise under the car and Mr. Nash was lying crosswise. Mr. Roelofson came to his senses in a little while, but could not remember a thing about the accident.

A car was sent to Clearmont for Dr. M. B. Dowell, who had Mr. Nash removed to Clearmont, where he is staying at the home of M. C. Gray. He is resting easy today, suffering mostly from his back and wrist, which were sprained.

Harold Selecman seemed to be the most seriously hurt at first. He got up unassisted, walked around, and even found a dollar that he had lost from his pockets. Suddenly he lay down and soon after lapsed into unconsciousness. When the doctor arrived he ministered first to Selecman and thought that perhaps concussion of the brain might be the result of his fall from the car. He was taken to the home of George Porterfield. He was delirious all night, but is greatly improved today, a severe headache and a bad bruise on the leg being the only results of yesterday's accident now appearing.

William Steele is able to be around today. His shoulder is dislocated and he is suffering a nervous shock from the fall.

Mr. Roelofson, who is public administrator, and also a candidate for reelection, is also feeling much better. One of his shoulders is badly bruised and he has a deep cut on the back of his head. He is confined to his bed today.

George Porterfield, whose house is within a quarter mile of the scene of the accident, was the first resident to arrive. He helped extricate the men from the machine and then offered his house as a refuge for the injured ones. Harold Selecman was the only one who remained there. He will be brought to Maryville late today. Mr. Nash will not be removed from Clearmont for three or four days.

Mrs. Bert Colwell Here.

Mr. and Mrs. F. C. Conrad returned Sunday from their ranch, near Pine Bluffs, Wyo., where they had been for over two months. They were accompanied home by their daughter, Mrs. Bert Colwell of Twin Falls, Idaho, who will visit here with her parents and her sister, Mrs. Arch Frank. The trip to and from Pine Bluffs was made in the Conrad car.

Miss Josie Stundon of Arkoe underwent an operation yesterday in Kansas City. Her condition is very serious, according to the last report.

Special to The Democrat-Forum.

London, Oct. 11.—The Anglo-French positions on the Somme front were kept under a violent artillery fire by the Germans during the night, especially the new position of the French on Somme river. The Germans were attempting to prevent the consolidation of the newly gained ground of the allies, and some strong counter attacks were launched.

The allied artillery replied to the German guns and a lively artillery duel developed. General Frost's troops on the outskirts of the important town of Chaulnes, and as a result of a new thrust Tuesday, it is believed it will soon fall into the French hands.

Here is a political document, more than noteworthy, in the history of the present campaign, and which, it is said, is only the forerunner of others of like nature, in other parts of the country: "We, the undersigned American citizens of German parentage, residents of Knox county, Ohio, wish to voice our approval of President Wilson's methods of avoiding war with any foreign power, and wish to thank him for our present peace and prosperity. Word has come to us that Republicans are expecting Democratic voters of Teutonic extraction to help to defeat our president. We feel that Mr. Hughes could have done no better, and may have done worse. Therefore, we ask all who sympathize with the Fatherland to support our president and register a truly American protest against the conduct of professional politicians who are trying to concentrate the German vote for Mr. Hughes. We wish to express our measureless contempt for those un-American schemers who have brought discredit upon the name of German-Americans."—St. Jos. News-Press.

There is a Real Difference

Cream of tartar, derived from grapes, is used in Royal Baking Powder because it is the best and most healthful ingredient known for the purpose.

Phosphate and alum, which are derived from mineral sources, are used in some baking powders, instead of cream of tartar, because they are cheaper.

If you have been induced to use baking powders made from alum or phosphate, use Royal Baking Powder instead. You will be pleased with the results and the difference in the quality of the food.

The Spanish club met for the first time last night with Miss Hook on North Mulberry. If the first meeting is any measure of the value of the other meetings, then the more the merrier. The evening was spent in Spanish subjects, and the little dialogue 'Los Tres Osos," or "The Three Bears," given by the first year class of the Normal. "El Oso, muy grande," was Edison Blagg; El Oso mediano, was Harry D. Gillis, and El Oso, muy pequeno, was Ross McReynolds. Miss Katherine Carpenter acted the part of the little girl lost in the woods. The dialogue was as comic as Mr. Blagg could make it, or a little more so, considering the combination of Mr. Blagg's comedy with that of a Mexican. Refreshments were served by Miss Hook. All present and former students who have studied Spanish are invited to join the club. The next meeting will be held in two weeks with Miss Myrtle Wells.

Last Friday, after the winning of the football game, the Normal students decided that some kind of a celebration should be held in honor of the event. So the yell leaders announced that all the students would meet on the court house lawn at 7:30 Friday night.

About 7:45 about 200 Normal students were assembled for a celebration. Some of the boys found a dead beat, which some thought might have been part of Palmer college of Albany, and the crowd built a bonfire of the remains. While "he" was sizzling, war dances of the Indian variety were indulged in and yells in favor of the Normal started up and are still soaring.

SKIDMORE LODGE

27 ROYAL NEIGHBORS ATTEND CONVENTION AT MOUND CITY.

Mrs. Mart Carden Tells of Day Spent as Guests of Local Lodge—Those Who Went.

(Mrs. Mart Carden.)

Twenty-seven members of the Royal Neighbors lodge at Skidmore went to Mound City last week to attend the convention held there October 7.

One hundred and fifty-nine members attended the open session in the morning and some who were not Royal Neighbors attended, because it was a public affair. At this time officers were elected, drill was given by the Skidmore camp and speeches were made by several of the members of Sikdmore lodge.

At noon dinner was served to the visitors, and here we cannot express what we should like to say. The menu included fried chicken, pies, cakes and almost every kind of salad one could think of. We ate and ate and after all had been served the tables were still loaded. They invited us back for supper and we ate until we came near missing our train. Seeing that we had only a few moments, we started. We heard the train whistle, and then we began to run. The ladies had the laugh on us. We think we ought to have the prize for being the best runners. A few got there first, but they had the start on us. Well, it was a merry bunch and such a lot of fun as we had until we reached out homes.

The neighbors asked me to write this in behalf of them all, thanking the Mound City folks for their hospitality, and hoping that they may some day meet us in our camp.

We must not fail to mention the Skidmore drill team as one of the best in the county. It was sure fine. There were several initiations in the afternoon. Brother Glick made an excellent talk, one we will or ought to long remember. I am sure that if we followed his directions we would live in closer touch with the Master of Love and humanity. In part, he spoke of the good Samaritan, but how we would draw our skirts for fear we might touch a fallen woman or a drunken man. He talked for more than a half hour along this line, which was all too true. He told of how women were sick on the Sabbath, but on Monday they were always well and ready to go to their offices and places of business.

As for the drill by Craig camp, I hope Craig will pardon us, as we were unable to be present at their drill as our daughter, Mrs. W. L. Butts of Craig, came over and wanted us to visit her. We left the camp room, thanking Mound City once again in behalf of the entire camp.

The next meeting will be held at Tarkio, October 1917. The names of those present follow:

Mrs. Lida Reese, Mrs. Mary Dawson, Mrs. Chris Jackson, Mrs. Charley Beverlin, Mrs. Oren Masters, Mrs. L. D. Stamper, Mrs. Mart Carden, Mrs. Tom Russell, Mrs. Sam Pitts, Miss Anna Craytor, Mrs. Dale Bagby, Mrs. George Patterson, Mrs. Laura Sharp, Mrs. Charles Ross, Mrs. Walter Howard, Mrs. Lillie Wood, Miss Grace Karr, Mrs. Will Devers, Mrs. Ed King, Mrs. Mary Dawson, Mrs. Millie Eibs, Mrs. Robert Barrett, Mrs. M. F. Fox, Mrs. Bessie Bosley, Mrs. May Owens, Mrs. Enoch French.

Mrs. C. H. Airy left this morning for St. Paul, where she will visit her daughter, Mrs. Lona Perrin.

RICHARDSON CASE AGAIN

The Grand Jury Will Probably Consider the South St. Joseph Killing.

When the grand jury reconvenes tomorrow morning it will take up the case of the state against William Richardson, charged with the murder of Jack Berryman in the live stock exchange building in South St. Joseph last winter.

Soon after the killing of Berryman, Richardson was indicted on a charge of first degree murder. The indictment was followed by a trial in the criminal court, which resulted in a hung jury. Since then a question has arisen as to whether there was error in the trial, and to correct this possible error, Oscar D. McDaniel, prosecuting attorney, has asked that another grand jury review the case. It is understood that the present grand jury will be asked to return an indictment for second degree murder. Since the trial last winter Richardson has been out on bond.—St. Joseph News-Press.

Next Week Is Edison Week

Do you know that over 600,000 people are now employed in industries founded by Thomas A. Edison?

Next week is being observed by many of these industries in recognition of Mr. Edison's scientific achievements.

We observe the week by giving an Edison recital every day at our store and also by making it possible for a certain number of people in this community to compete in the

$1,000.00 Prize Contest

for the best descriptions of the enjoyment and musical education derived in the home from Mr. Edison's favorite and probably the greatest invention

The NEW EDISON

We have set aside a limited number of these wonderful new instruments. They have been specially tested and will be placed in homes in this city on an absolutely free three days trial during Edison Week.

Those who secure the benefit of these Edison Week free trials will be eligible to the big $1.000 contest for the best opinions of the value of the New Edison in the home.

These opinions must not be over 200 words in length. Their literary quality does not count. Professional writers and all members of the phonograph trade are barred.

What the Edison Company wants are the real heartfelt opinions of the people after they have heard this wonderful new instrument in their own homes.

The first prize is $500.
Second. $200.
Third, $100.

Then there are consolation prizes aggregatin $200. In addition, the Edison Company will pay 10 cents per word for opinions which, although not winning prizes, are considered suitable for publication.
